GOVERNMENT OF BOMBAY
DEVELOPMENT DEPARTMENT
(Backward Classes, Rehabilitation and Housing.)
Secretariat (Annexe), Fort
Resolution No.BUD.1754-D.
Bombay, 12th April, 1955.

Read - Government Resolution, Rehabilitation Department, No.R.315-B, dated the 23rd January 1951.

Government letter, Rehabilitation Department, No.1583/8021-D, dated the 12th May 1954.

RESOLUTION- In supersession of the orders contained in Government Resolution, Rehabilitation Department, No.R.315-B, dated the 23rd January 1951 prescribing the four detailed heads under the minor head "Miscellaneous" under "XLVI-Miscellaneous" regarding crediting of receipts on account of rent, convenience charges, sale of plots and tenements etc. in displaced persons' townships and colonies and settlements, Government is pleased to direct that the following detailed heads should be opened:-

(i) Receipts on account of rent for tenements.

(ii) Receipts on account of Convenience charges.

(iii) Receipts on account of lease of plots of land.

The implications of the modifications made are briefly explained below:-

2. (i) Receipts on account of rent for tenements.

All receipts on account of rent exclusively for tenements whether old or reconditioned or new tenements will have to be credited to this head. The modification has been made as there is now no distinction between the tenements constructed out of grants from the Government of India and the tenements constructed out of the loans from the Government of India. The officers concerned are, therefore, requested to see that all rent receipts are credited to one detailed head only. viz. (i) Receipts on account of rents for tenements.

2. (ii) Receipts on account of Convenience charges.

All receipts on account of convenience charges such as sanitation water, electricity etc. and taxes, if any, recovered from displaced persons should be credited to one detailed head, viz., "Receipts on account of Convenience charges". While the recoveries of the convenience charges are made along with the rent, great care should be taken to ensure that the receipts on account of convenience charges are credited to the above head and not to the head recording rent receipts.

2. (iii) All the Receipts on account of the lease of the plots of lands.

All the receipts on account of the lease of the plots of lands should be credited to this head.

3. As regards the receipts on account of sale of tenements and plots of lands, these receipts will have to be shown under the detailed head to be opened under the minor head "Deduct-Receipts and Recoveries on Capital Account" under the

major..

major head '82-Capital Account of other State Works outside the Revenue Account-Housing Schemes for displaced persons'. Orders in this respect are being issued separately.

4. The officers concerned are requested to see personally that the correct receipt head is invariably mentioned in the challans while crediting the receipts in the treasury and that mis-classifications which create serious difficulties in reconciliation, are avoided. In all monthly statements of receipts under "XLVI-Miscellaneous" forwarded to this Departmer hereafter the receipts recovered should be shown according to the above heads.

5. These orders should take effect from the 1st April 1954 from which date the receipts pertaining to one or the other of four detailed heads in paragraph 1 ~~of~~ above should be credited to the relevant detailed heads. As regards the receipts realised from 1st April 1954 to 31st March 1955 (both inclusive), the officers concerned should send to Government a detailed statement for each month separately, showing the amount credited to Government on account of each of the three detailed heads mentioned above, the number and the date of the challan under which the amounts are credited and the name of the treasury or sub-treasury in which the amount was credited.

Circular No. BUD. 1055-D.

Bombay, 19th May 1955.

CIRCULAR.

While reconciling the figures of receipts under the head " XLVI-Miscellaneous-Receipts on account of displaced persons and XLVI-C-Miscellaneous-Miscellaneous (2) Receipts from displaced persons " reported by the officers with those booked by the Accountant General, Bombay, for the year 1952-53 and 1953-54, it was found that the reconciliation with the help of the monthly treasury receipts schedules forwarded by the Treasury Officers to the Accountant General, Bombay, was practically impossible *as the treasury schedules did not contain the detailed classification of receipts given in the Civil Budget Estimates.* Receipts on account of displaced persons were many times classified under some other sub-heads of the head " XLVI-Miscellaneous " with the result that the figures reported by the officers to this Department did not tally with those reported by the Treasury Officers to the Accountant General, Bombay.

2. With a view to carrying out reconciliation in a proper manner, Government is therefore pleased to direct that all the Treasury Officers should immediately open the following sub-heads and detailed heads under the head " XLVI-Miscellaneous " in the treasury schedules as well as in their books.

Detailed Account No.—

XLVI-B-Miscellaneous-Receipts on account of displaced persons.

(i) Sale of old stores and materials.

(ii) other receipts.

Necessary orders for opening the detailed heads in question in the receipt schedule form under ' 82—Capital account of other State works outside the Revenue Account-Housing Schemes for displaced persons ' are being issued separately.
